3-WAY CALLS “TIP” SHEET

Capture your audience, strengthen your credibility, and expand your reach!!!

3-way calling effectively and painlessly sorts and identifies key people in your warm market and within your organization. This critical tool trains new representatives, and teaches people the business before they even get started.

Here are 4 simple Steps to 3-Way Calls:

Step 1

- Approach
- Create interest with product video

Step 2

- Call the Expert First
- Schedule the best time to talk for all parties
- Give the Expert as much background information as possible

Step 3

- Call Prospect
- Properly introduce the Expert to the Prospect and vice versa
- Allow the Expert to take the lead
- Do not interrupt unless asked 3-Way Calls “Tip” Sheet

NOTE: Your warm market contacts trust you, however, they know you have just started learning about the HGH product and may not respect your knowledge about the product or business. When you introduce an expert that can answer their questions they will respect the expert because of their trust for you. It is ok to let them know you don't know all of the answers and want them to get the correct information.

NEW U LIFE 3-WAY CALL SHEET

Have your Sponsor or Upline Coach mentor you on performing the "3-way calling", then put it to practice and have fun with it, until you get the art of it down.

GETTING CUSTOMERS

First of all, it is important to understand that really, EVERYONE over the age of 18 is **YOUR** potential Customer, it is that simple. Whether they end up taking advantage of the Business Opportunity or decide to just benefit from your AMAZING Products, they are YOUR Customers. All you have to do is "knock", and "doors" will open. NOT all doors will open, but some doors ALWAYS do open! If You don't "knock", NO doors can EVER open, right! So knock, and KEEP ON knocking and watch your business grow. **Not everyone will succeed in business, but the great news is that ANYONE can.**

The Approach:

“Hi (Dad), I've got to talk to you about something extremely important. Is this a good time to talk?

Great—Listen, I need a HUGE Favor from YOU!!! (Pause, and wait for an answer.)

I just launched a New Business from Home, For the Sake of (Setting up a College Fund) for our three children who are soon about to Go to College, as YOU Know

(Dad).

We are in The Nutrition Business now, marketing the only FDA Registered OTC Transdermal Human Growth Hormone product available without a prescription. People all over the Country have been greatly benefiting from the product with the ways they feel, look, and function.

So, (Dad), we need your support. Would you please place an order now? I know you will love the product, and in the case you don't, I will never bother you again. Which credit card would you like to use?”

NOTES: _____

GETTING DISTRIBUTORS AND BUILDING A TEAM

Again, it is extremely important that you understand that this is a "Business Opportunity". *ANYONE* who desires a positive change in their lives are now ready to take action as a Potential Distributor. You can NEVER judge a book by its cover. You should NEVER prejudge and make decisions for others, just allow THEM to make the decision for themselves. You will be surprised, really surprised! Those you think will, won't and those you think won't, WILL and CAN! Use our New U Life Recruiting System and let it work for you.

UCan Envision Success System

Build relationships using **F.O.R.T.**: People do business with people they like and trust. Take some time to catch up. It's ok to let them know your calling about business, but take some time to learn what is important to them.

F-FAMILY

O-OCCUPATION

R-RECREATION

T-TRANSITION

TIPS: Biggest mistake is rushing or overtalking! Listen, compliment, relate and adapt and use the information to transition to your objective of introducing New U Life.

SHARING WITH YOUR CONTACTS

Pique and edify

Use the tools, not your mouth!

Because you are excited, you will be tempted to present this great company and its product to your own prospects.

Of *COURSE* you are excited! You've found a simple way to get paid for sharing the world's only FDA Registered OTC Transdermal HGH product. That is exciting! It's ok to share your story but don't be the expert to your personal contacts!

Please remember: you won't want to "present" to your own contacts. Don't do it. Now is the time to let the tools do the presenting. When you have a prospect's commitment to view the video take time to create value for the video. An example of this is when you have something of value that you are transferring from your hand to another person's hand and you pull it back saying "this is very important I need to know if you can do this now?"

PIQUE interest by sharing your excitement and getting their commitment to view a 2 minute video.

Who wouldn't want to feel 20 again?

TITLE: DAILY SHARING PROCESS

Repeat the system every time you pique someone's interest. Systems duplicate and people complicate. Keep it simple, teach it simple and watch your New U Life business take off!

1. **WARM UP-F.O.R.T.** | I'm glad your well.
2. **PIQUE INTEREST** | I have to ask you a question. I am very excited about this. I found the only FDA Registered OTC Transdermal HGH product. I've been using it and I feel 20 again. If I send you a 2 minute video that explains it would you take a look and give me your opinion on it?
3. **SHARE OPPORTUNITY VIDEO AND WEBSITE** | If you are in person always DEMO the SOMADERM™ Gel! Put it on their wrist and let them experience the product!
4. **Call them back, ask them what they liked?** | YOU CAN ONLY GET 2 RESPONSES: **INTERESTED OR NOT.**

INTERESTED | Get their questions answered by an expert on a 3 way call

IF NOT | Get a referral: Who do they know that is sharp and looking to make money and would love to feel 20 again?
5. **INTRODUCE** your prospect to an Upline Expert that can answer their questions and help them get started.
6. **ENROLL THEM** as a customer or distributor
7. **HAVE THEM ATTEND** the Training and Opportunity Webinar
8. **INTRODUCE THEM** to the ***Ucan Envision Success System*** and teach them to repeat the process.

ACTION STEP: At the end of your first week and each week thereafter, schedule a coaching time with your Upline Leader to review your 3-way calls, measure it with your production, and look for ways to get better.

UCAN SUCCEED TIMELINE STEPS

Your daily activity schedule and how often you work your business will ultimately determine the level of success you achieve. When you do something enough a ratio always appears. Work your business like a job and it will pay you like a business! Do it for you, it's about time!
